

**It's difficult to imagine. You love your kids. You work hard to provide for them. And yet... every night you tuck them into a bed on a dirt floor, cardboard-walled shack**

**You wonder...**

**You hope...**

**You pray...**

ENTER workers from the Christian Church (Disciples of Christ) – youth and adults – there to build houses, build dreams, and share the Good News of God.

## **The House**

- One room, 11'x22' with a divider
- Stucco finish
- Good, strong roof
- No electricity or running water
- Unfinished interior – but they have cement floors, reducing the disease rate of Mexican children by 80%
- Imagine this is your dream house!

**In the past 31 years, we've built over 65 homes and we are just getting warmed up!**

Now you can join us as we travel to Mexico and build a house for a needy family, without leaving the comforts of your home!

**Are you interested in helping change the world?**

**Be our mission partner today!**
